

**Tuesday, May 20, 2003**  
**8:00 a.m.–5:30 p.m.**

## ***Fleet Day - Palm Springs, CA***

### **At the 9th National Clean Cities Conference & Exposition**

**One Stop Shopping for Information, Demonstrations, and Resources to Furnish Your Business, Fleet, or Community with Alternative Fuel Vehicle Technologies**

Professionals in charge of private and public fleets have enormous purchasing decisions to make. Acquiring alternative fuel vehicles (AFV) can help fleets meet regulatory requirements and reduce America's dependence on foreign oil. Fleet Day serves as an AFV primer on everything from legislation and product availability to infrastructure development and maintenance. Everyone who is anyone in the AFV marketplace will be on hand to provide information and answer questions.

#### **Informative Topics**

- ▶ Niche Market AFV 101
- ▶ Legislation and Incentives to Put AFVs on The Road
- ▶ California Mandates and Incentives
- ▶ Using AFVs to Reduce Local and Global Emissions

#### **AFV Maintenance and Safety Training**

- ▶ Mini Course on Developing an AFV Program
- ▶ Heavy-duty Emissions Standards for 2007 and Beyond
- ▶ Resale of AFVs
- ▶ Light-duty Product Rollout
- ▶ Medium- and Heavy-duty Product Rollout

#### **Expo Hall**

The Expo Hall will showcase an array of exhibitors, including light- and heavy-duty AFV manufacturers, associations, and a variety of other businesses that produce AFV equipment. Come see new products

and gather valuable information on ordering, costs, reimbursement programs, and factory invoice and leasing documents. A continental breakfast and lunch will be provided in the Expo Hall.

#### **Ride-n-Drive**

Experience the nation's largest display of commercially available AFVs during the Ride-n-Drive on Fleet Day. From 10:00 a.m.-1:00 p.m., you can test drive or ride in all types of AFVs, including President Bush's propane pickup truck, which will be driven by ranch foreman Kenneth Engelbrecht.

#### **Register Today**

The 9th National Clean Cities Conference runs from May 18-21. However, if you can only attend one day, Tuesday, May 20, should be it. The one-day fee is \$149 if you register online by April 11, and \$199 after April 11. Registration includes the Tuesday night reception at Atlas nightclub. For more information, visit [www.ccities.doe.gov/conference.shtml](http://www.ccities.doe.gov/conference.shtml), or call 800-CCITIES.
